RE: Your Presentation at the May 9, 2006
Meeting of the Laurel Board of Education

Dear Mr. Bejgrowicz:

After much consideration and discussion among the administrators and Board members, the Laurel School District has decided not to enter into a cooperative agreement for Soccer with the Ellwood City School District or to establish Soccer Teams within the Laurel Athletic Program. Adding an additional sport at Laurel would negatively impact our existing athletic programs and other co-curricular activities. To be quite frank, our current enrollment just cannot support the addition of another major athletic team.

The High School Administration will certainly continue to cooperate with your organization to arrange for registration and meeting sites. Best wishes for continued success and enjoyment with the activities of the Laurel Soccer Club.

Sincerely,

Sandra L. Hennon, PhD
